A student creator opportunity built around real campus voices and useful academic content.

UNIUI DOC 02 FIELD GUIDE

WHAT THIS IS

A pre-launch network of Nigerian student creators building with UNIUI.

You do not need a large following. You need to be a student who creates content, shares useful ideas and can speak in your own voice. The program combines practical creator training with performance-based earnings.

THE OPPORTUNITY / THE SKILL

THE OPPORTUNITY

What you get

- A unique referral link for launch attribution
- ₦175 per paying subscriber, under the program terms
- A creator dashboard for clicks, signups and earnings
- Exclusive campaigns and early access to V2
- Creator WhatsApp community
- Content resources: logos, screenshots, templates and ideas

THE SKILL

What you build

- Confidence demonstrating an academic product
- A portfolio of useful, honest content
- A peer network and practical creator skills

WHAT WE ASK

EXPECTATION

Show up consistently

Be a Nigerian student who creates on TikTok, Instagram, or both. During active campaigns, plan for at least two posts each week.

EXPECTATION

Keep it genuinely yours

Use your own voice. We provide prompts, product context and content resources—not scripts to read word for word.

HOW THE PROGRAM WORKS

A short onboarding path gets you ready before launch.

01 STEP 1

Apply

Submit the creator application. The team reviews fit and campus context.

02 STEP 2

Get approved

Receive confirmation and next steps through the program channel.

03 STEP 3

Join the community

Meet the creator group and get access to resources and updates.

04 STEP 4

Complete onboarding

Work through three weeks: understand UNIUI, practise a demo, then prepare content.

05 STEP 5

Get your link at launch

Your unique referral link and dashboard are provided for launch tracking.

06 STEP 6

Post, learn, repeat

Share honest content, review what resonates, and track eligible referrals.

THREE-WEEK TIMELINE

LEARN · WEEK 1

Understand UNIUI

Understand UNIUI and its course-grounded learning context.

DEMONSTRATE · WEEK 2

Demonstrate

Practise a clear, honest product demonstration.

PREPARE · WEEK 3

Prepare

Choose campaigns and prepare your own content ideas.

NEXT STEP

Ready to apply?

Apply at **waitlist.uniui.com.ng/creators**. Referral attribution, eligibility and payment details are governed by the separate Program Terms.

Program details are pre-launch and may be updated. Earnings are conditional on qualifying activity and the Program Terms.
