participants.

UNIUI CREATOR PROGRAM / FIELD GUIDE

KEY POINT

Please read before participating

This is a plain-language program summary based on the supplied draft terms. UniUI should confirm final operating details and any legally required terms before enrollment or payout.

01 / ATTRIBUTION

TRACKING

Your unique link

Each approved creator receives a unique referral link for tracking eligible referrals.

CREDIT

Last click wins

If a user clicks more than one creator link, the last click is credited under the supplied draft rule.

WINDOW

30-day window

The supplied draft states a 30-day attribution window from first click. Ask the team how the window interacts with later clicks before launch.

EXCLUSION

No self-referrals

You cannot earn commission by referring yourself.

02 / EARNINGS + PAYOUT

COMMISSION

₦175 per paying subscriber

The draft describes ₦50 for signup plus ₦125 for the first payment, totalling ₦175 per paying subscriber. Qualifying signup and payment conditions should be confirmed by UniUI.

PAYMENT

Weekly via Paystack

Approved commissions are scheduled for weekly payment through Paystack, subject to payout eligibility and processing.

THRESHOLD

₦10,000 minimum

The draft sets a minimum payout threshold of ₦10,000. Balances below the threshold carry forward, subject to final program rules.

HOLD

7-day hold

Commission is held for seven days after payment to allow for refund protection. Refunded payments do not qualify.

03 / WHAT DOES NOT COUNT

The following activity is not eligible for commission.**INELIGIBLE****Fake accounts**

Accounts created to inflate signup or referral numbers.

INELIGIBLE**Duplicate registrations**

Repeated registrations by the same person or duplicate records.

INELIGIBLE**Self-referrals**

A creator referring their own account or payment.

INELIGIBLE**Refunded payments**

A payment that is refunded is excluded from eligible commission.

INELIGIBLE**Fraudulent activity**

Manipulation, deception or other fraudulent referral activity.

04 / PROGRAM TIERS

NEWLY APPROVED**Creator**

Newly approved.

ACTIVE**Active**

Posting consistently.

PERFORMANCE**Top**

Strong referrals.

LONG-TERM**Elite**

Long-term performance.

Tier descriptions above reproduce the supplied draft. UniUI should publish any objective thresholds or benefits before using tiers to determine eligibility.

Participation depends on honest, respectful conduct.

CONDUCT**No false claims**

Follow the Approved Claims & Messaging Guide. Do not make promises about grades, perfect accuracy or assignment completion.

CONDUCT**No spam or fake engagement**

Do not spam audiences or manipulate likes, views, comments or referrals.

DISCLOSURE**Disclose your relationship**

Make your UNIUI creator relationship clear on every post using “I’m a UNIUI creator” or #UniUICreator.

REMOVAL**Removal for misconduct**

The supplied draft allows UniUI to remove participants for fraud or misconduct. UniUI should communicate a review and appeal process if one applies.

EXIT**Leave any time**

You may leave the program at any time. The draft says pending commissions are paid if you leave in good standing, subject to verification of qualifying activity and payout threshold.

KEY POINT**Questions or a tracking issue?**

Raise it in the UNIUI creator WhatsApp group. Keep your referral links, post URLs and relevant dates so the team can investigate.

PARTICIPANT ACKNOWLEDGMENT

I have read this plain-language summary and understand that final program rules, eligibility and payout decisions are subject to the confirmed UNIUI Creator Program terms.

Name: _____ Date: _____

Signature (if required): _____

Draft source: user-provided Creator Program notes. Final legal and operational review is recommended before circulation.
